To whom it may concern,

I object to LFP Internet Group, LLC obtaining any of my personal information, including my name, address, telephone number, email address, or modem MAC address. It is unclear to me, at this time, what the actual accusation is and what "unspecified" copyrighted work was retrieved from my MAC address. I was unaware that someone could wirelessly connect to my internet, as I did not have a password in place on my wireless modem. However, it is possible that someone wirelessly connected to my modem and downloaded the copyrighted material in question. This problem has been resolved, and I am sorry for any inconvenience that this may have caused.

Thank you for your time,

"Doe" # 46
